## **Ship's Store**

**Welcome to the Association's Ship's Store. At this time we have a limited amount of items left in inventory. All of the items at this time are for the DDG 17 ship, if there is something a shipmate or family member from the DD 371 would like to see with the ship's name on it please call and we'll see if can help you get a certain item. In the near future we will be stocking more sizes in some inventory items that sell well. You will notice we have two different baseball caps, the new one with the ship's outline is becoming very popular is made in the USA at a very reasonable price. Also the rating pins shown are all we have left and we won't be replenishing them when they are gone. We will continue to offer the enlisted rank hat pins.**

**If there is any item that you'd like to see added to the inventory, please contact me and I'll see what we can do for you, it might be something others would be interested in also.**

**I'm sorry, but we only except checks, *no credit cards or cash*. Any item you'd like please call, I'll figure in the S/H charges and (I use USPS PRIORITY MAIL, for least expensive rate) upon receipt of payment I'll ship the item(s) to you.**

**Please make check out to USS CONYNGHAM ASSOCIATION and mail to :**
